Simple but effective How-To Guide on using the popular Airbnb website and all competing websites to rent out your spare room or entire home to make money. All you need to know to make an effective and eye-catching listing from an author who is an experienced and successful Airbnb host having made thousands from renting out his spare rooms and made friends from all over the world in the process. Your home is a potential money-making asset, instead of working hard to earn money to pay for it, let your home make money for you! Short of buying a winning lottery ticket, this could be the best small change you'll ever spend.

Some of the subjects How To Get Rich Using Airbnb covers include:

- How to make not just a professional but a killer profile and

listing

- How to make your listing appear in the top of the searches and listings
- How to operate your Airbnb like a professional and profitable business
- How to provide a great service to your guests to make more money
- The author has made over £25K - \$35K in a suburban location. You could too!

In 2014, How To Get Rich Using Airbnb, the author, and his home were interviewed and filmed by Bloomberg Television for a feature on Airbnb. In November 2015, the book was again featured this time on the BBC when Stephen Liddell was interviewed live on air on the subject of homeowners so successfully monetising their homes that it is upsetting the hotel industry.

\*\*\*An Amazon 2013, 2014 and 2015 # 1 ranking best-seller in three sections including TRAVEL > Special Interest > Business and TRAVEL > Bed & Breakfast \*\*\*

There are no other Airbnb-related books or authors with such a pedigree.

Even better, here are some actual reviews from my Airbnb listing. As you can see from 2012 to 2016, I have been successfully making lots of money and making hundreds of tourists and long-term rentals happy at the same time in what as the BBC admitted is a very average home.

"This was my first Airbnb experience and I can honestly say it was wonderful. Stephen provided me with great directions to his place and how to get to my next location via the bus and tube. He was

Simple but also a life saver when I realized I brought the wrong plug adapter and found one for me to use until I was able to purchase one. I highly recommend this Airbnb and would love to have another opportunity to come back in the future." Carly from California in January 2016**

"Stephen was an excellent host and made me feel very welcome. The house is clean and comfortable and the room was exactly as described. Although I didn't require them, the provision of towels and shower gel was a nice touch. The breakfast cupboard was also handy. Overall, a great experience and highly recommended." Nicola from Birmingham, U.K. October 2015

"We loved everything about our stay! I only wish we were able to spend more time there! We will definitely be coming back to London, and definitely with Stephen and Emilia! The house is easy to find, the room was just as described. I'd have loved to spend more time at the house, but our time was limited. Stephen and Emilia were wonderful hosts, both very kind and helpful. I was hesitant when I booked - to stay at someone's home, but I have no regrets! "

Lindsey from New York in February 2014

"The sun did indeed shine in London during my stay with Emila and Stephen and no more radiantly than the friendly smiles of my hosts and their many kindnesses during my stay. My first Air bnb experience was a memorable one because of Emilia and Stephen. Their house is spotlessly clean, modern and conveniently located. They made my visit a memorable stay indeed and I am grateful to have met Emilia and Stephen on my first Air BnB trip."

David from New Mexico, September 2012
